I suffered so very much, that I became dowe in mind, and as helpless as a baby. I was in the worst kind of shape. Was imable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose, w By the time I bad taken 12 bot-lies, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make, them know the good it would do them."
